Hey Leslie,

I did some file diving this morning and was just about to email you the license. I've put some questions in to solid waste who contacted the Montgomery County Health Department to see if we can't get you more information as well. I will go back and bother them later this afternoon to see if they've uncovered anything else.

I don't have anything new to add at this time.

Maddie

Hi Maddie, Brett won't be able to make our call today. Do you have anything you want to discuss or follow up on from our call yesterday? If not, we can cancel.
